Mpiani sh'd not blame poor victor smith soo much bcos what mpiani sh'd knw is victor smith is the devil's advocate and only in to destroy. He tried it on former prez rawlings trying to bring misunderstanding b/n the rawlings' (dnt knw if victor was interested in konadu). Victor smith is a disappointed and devilish politician.

21868. KING GOSH **3 JOHNS**

The three Johns leading Ghana into destruction. Jerry John the Boom man -- Who think of himself as the wisest Ghanaian but the most corrupt, greedy, selfish and tribalist. John Fiifi Atta Mill -- the man who has never been courageous in life, rejected his only son because of his wife, hipocrate as he looks on the palava, lens, crystal clear lens and the weekly standards use abusive and untruth languages but yet pretend not to have seen them. All these papers are being managed by his special assistance and spokes person. John Dramani Mahama (womaniser) --- For this man the least said the better as he also goes for any thing in skirt. Ask his wife. Three different mother for his kids. We definitely can not trust Ghana our beloved country in the hands of these people. God

guide all Ghanains to votee wisely for NANA AKUFFO-ADDO. BELIEVE IN GHANA.

**Go get girlfriend, Malik**

Kweku Baaku Malik should go get a girlfriend or marry. He is doing these things because he doesn't have a girlfriend to talk to or to share his frustrations with. Actually, he can't have one bcos ... and that is why he is so bitter against those who have happy families. Let's all pray for him or persuade him to go to Pastor Chris or Adjin Asare. We shouldn't criticize him too much bcos he has to justify the goodies he has also benefited from. He has to defend the waa waa looting and sharing he has been part of.
